

RELIANCE®

Bulletin No. REL-IH2.10-1 Group No. 2.10

May 14, 2009 Page 1 of 1

International Harvester Injectors.

Reliance Parts is pleased to announce the availability of injectors for International Harvester applications. These injectors are new and sold on an outright basis. Even though the pricing for these is comparable to rebuilt injectors, you get new instead, with no need to worry about returning cores. Be sure to capitalize on the sales opportunities for these new injectors by adding them to your next stocking order.

The part numbers available now from inventory are:

<u>Part No.</u>	<u>Description</u>	<u>Engine</u>	<u>Equipment</u>
7687372	Injector	D414, DT414	Use with Pump 749992C91
		D436, DT436	1486 Tractor ESN 100078 -> 1460 Combine ESN 100008-> 1480 Combine ESN 103042-> 3388, 5088, 6388 Tractors
		DT466B, DT466C	4386 Tractor ESN 77300-> 1480 Rice Combine 1470 Hillside Combine 3588, 3788, 5288, 5488, 6588, 6788, 7288, 7488 Tractors
7735387	Injector	DT360	1400, 1600 Stripped Chassis (4/1/81 thru 12/31/88) 1700, 1800 Bus Flat Back Cows (4/1/81 thru 12/31/88) 1700, 1800, 1900, 2100 Medium Trucks (4/1/81 thru 12/31/88) Amtran FE Bus (1/1/99 thru 10/31/99) Amtran Genesis/FC Bus (Before 1/1/99) MT-512 International Engines (Before 10/93)
