Ford/New Holland® Pistons.

Reliance Parts Corporation is pleased to announce the availability of pistons for Ford/New Holland diesel engines.

Shown below is a list of piston kits plus their corresponding over-sizes. The piston kits include the piston, piston pin, piston pin retainers, and the ring set installed on the piston.

| Piston Marked | Std. Part No. | .020 O/S Part No. | .030 O/S Part No. | .040 O/S Part No. | Engine Application |
|---------------|---------------|-------------------|-------------------|-------------------|--------------------|
| 81877567B | F161168 | F161169 | F161171 | F161172 | 268, 401 |
| 87802231B | F161231 | F161232 | F161636 | F161233 | 201 |

The Ford/New Holland program is a Reliance branded program and orders for these pistons can be combined with the other items for freight and other considerations. Now an easy way to service Ford engines with high quality parts at competitive prices. Be sure to add these pistons to your next stock order.
