

## International Oil Pump Drive Spline for D/DT/DTA Engines.

Reliance Parts Corporation is pleased to announce the availability of replacement oil pump drive splines for International D312, D360, D/DT414, D/DT436, and DT466 engines. The drive spline in these applications is installed in front of the crankshaft gear and must be replaced any time the crankshaft gear is replaced.

The part number is 7675364, equivalent to 675364C1, and is manufactured to the same high quality standards as you would expect from the rest of the Reliance product line. Be sure to include them with your next stock order.
